The Village is treating your request as a voluminous request because your request includes more than 5 individual requests for more than 5 different categories of records and appears to require the compilation of more than 500 pages of records. Because of same, within 10 business days after this response was sent, you must inform me whether you would like to amend the request in such a way that the public body will no longer treat the request as a voluminous request.

If you fail to respond to the Village within 10 business days or if the request continues to be a voluminous request following your response, the Village will respond to the request and assess any fees charged by the Village pursuant to Section 6 of FOIA.

Additionally, please be advised that the Village has 5 business days after the receipt of your response or 5 business days from the last day for you to amend your request, whichever is sooner, to respond to the request or request an additional 10 business days to comply with the request. If you fail to accept or collect any responsive records, the Village may still charge you for its response pursuant to Section 6 of this Act and your failure to pay will be considered a debt due and owing to the Village and may be collected in accordance with applicable law.
