Jerry-

Please see the attached traffic study. Looking for traffic calming ideas to direct traffic eastbound on West 53rd Street between South Pulaski to South Harding. Traffic will go the wrong direction on 53rd Street to get to South Pulaski. There is also an issue with the Mc Donald's traffic existing both of their parking lots onto West 53rd Street and going the wrong direction towards S Pulaski. **NEED TO DIRECT LEFT TURN ONLY.**

Would a bump out be an option at either of the exists?

Please keep us posted.

Thank you,
Ann Nieciak
